La riproduzione dei colori della cartella può venire influenzata dalla natura del supporto, dal sistema applicativo e dalla quantità applicata: è quindi necessario procedere sempre alla verifica del colore ottenuto. Il colore ed il livello di lucidità mostrato in questo campionario è puramente indicativo. Per dettagliate informazioni tecnico-applicative, consultare le Schede Tecniche.

The reproduction of the colours of this colour chart may be influenced by the nature of the support, by the application method used and by the quantity of product applied: it is therefore always necessary to check the colour obtained. For detailed technical-application information, consult the technical data sheet.
